DECLARATION OF INTENT

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the upcoming school year or the next semester or term, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program.

Please sign and return this form to the secondary school by **the deadline period selected above.**

Counseling Session for College Credit Plus Participation

This document provides confirmation of counseling for the College Credit Plus program.

Date	
Student's Name	
Parent's or Guardian's Name	

The counseling session must occur before the student participates in the College Credit Plus program. Each public and participating nonpublic secondary school shall provide counseling services to students in grades six through eleven and to their parents before the students participate in the College Credit Plus program to ensure that students and parents are fully aware of the possible consequences and benefits of participation.

Counseling information shall include:

- Program eligibility;
- The process for granting academic credits;
- Any necessary financial arrangements for tuition, textbooks, and fees;
- Criteria for any transportation aid;
- Available support services;
- Scheduling;
- Communicating the possible consequences and benefits of participation, including all of the following:
    - The consequences of failing or not completing a course under the program, including the effect on the student's ability to complete the secondary school's graduation requirements;
    - The effect of the grade attained in a course under the program being included in the student's grade point average, as applicable;
    - The benefits to the student for successfully completing a course under the program, including the ability to reduce the overall costs of, and the amount of time required for, a college education.
- The academic and social responsibilities of students and parents under the program;
- Information about and encouragement to use the counseling services of the college in which the student intends to enroll;
- The standard packet of information for the program developed by the Chancellor of the Ohio Department of Higher Education. *(See the highered.ohio.gov/ccp for more information.)*
- Information about the potential for mature subject matter, as defined in section 3365.035 of the Revised Code, in courses in which the student intends to enroll through the program and notification that courses will not be modified based upon program enrollee participation regardless of where course instruction occurs. The information shall include the permission slip described in division (B) of section 3365.035 of the Revised Code (attached).
- Secondary schools must also provide information of the administrative rules of Course Eligibility (OAC 3333-1-65.12) and Underperforming Students (OAC 3333-1-65.13).

This information is provided to students as required by Ohio Revised Code 3365.04 and Ohio Administrative Codes 3333-1-65.12 and 3333-1-65.13. *Form created by the Ohio Department of Higher Education.*

- Information about Options A and B to include the following details:

  Public Schools
  - Option A: The student/family will be financially responsible for tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus course.
    - Under Option A, the student/ family must work directly with the college to arrange to make payment
    - Option A allows the student to choose to earn both college credit and high school credit OR only college credit
    - Option A must be elected at the time the student registers for college courses
    - Students must inform the college and the secondary school of electing Option A and whether student wants to earn both high school and college credits or only college credits
  - Option B: The state of Ohio is financially responsible for the eligible course(s) in which the student chooses to enroll.
    - If Option B is selected, the funding for the course will be deducted from the secondary school and redirected to the college.
    - The student will receive high school and college credit.
  - Combination of Options A & B: Student/family chooses to be responsible for all tuition, textbooks, materials, and fees for one or more courses. If this option is chosen, the student must inform the college which course(s) will be under Option A and which will be under option B.
  - The final date to change the election of Option A or Option B is on or before the college's no-fault withdrawal date

  Nonpublic Schools
  - For a participating nonpublic secondary school, counseling information shall also include an explanation that funding may be limited and that not all students who wish to participate may be able to do so.[1]
  - When students apply for state funding, they must submit the Funding Award letter to each higher education institution they attend.
  - Nonpublic students that were not awarded all of the requested credits in their Funding Award (Option B) may take additional courses under Option A.

Ohio law requires students enrolled in public secondary schools seeking to participate in the College Credit Plus program and the student's parent to sign a form, provided by the school, stating that they have received the counseling required and that they understand the responsibilities they must assume in the program in order for the student to participate in the program. By signing this document, the undersigned understand and agree that they have received the counseling required and understand the responsibilities they must assume in the College Credit Plus program.

CCP Participation Agreement

We are pleased that you have chosen to pursue this great opportunity in College Credit Plus courses. Please be aware that there are distinct differences between a regular high school course and a College Credit Plus course.

1. I understand that I will have until the drop date as set by the individual college or university to drop the course without any financial or grade implications. ____ Student Initials ____ Parent Initials
2. I understand if I drop the course past the drop date, but before the withdrawal date, this will be reflected as a W on the transcript and I will be financially responsible for the cost of the course and any books purchased for the course. ____ Student Initials ____ Parent Initials
3. I understand that any drop/withdrawal must be done directly through the college. ____ Student Initials ____ Parent Initials
4. I understand that if I fail the class, I will be financially responsible for the cost of the course and any books purchased for the course. ____ Student Initials ____ Parent Initials
5. I understand that grades are housed through the college/university and the high school office does not have access to these grades until the end of the course. Due to this, I understand that it is my sole responsibility to monitor my grades and progress. ____ Student Initials ____ Parent Initials
6. I understand that it is my responsibility to check my college email and communicate with my professors and college advisors. It is also my responsibility to be aware of important dates as set by the college/universities. ____ Student Initials ____ Parent Initials
7. I understand that it is my responsibility to communicate any changes in my CCP courses such as dropping/withdrawals with not only the college but also to the school counselor as this could negatively impact graduation status and eligibility for sports. ____ Student Initials ____ Parent Initials
